

Patient Financial Assistance Information

Welcome

Welcome to the Hackerman-Patz Patient and Family Pavilion, your “home away from home” while receiving treatment at the Johns Hopkins Kimmel Cancer Center. The Pavilion is grateful to the Kara Foundation and their long standing commitment to support young adult patients and their families during their time at Hopkins.

The Kara Foundation may be able to provide financial support to assist with the cost of housing and parking at the Pavilion.

What is Kara Foundation?

The Kara Foundation is dedicated to supporting young adults with cancer during their treatment at Johns Hopkins. The Foundation recognizes the financial hardship placed on patients who require temporary housing at Kara’s Place during the course of their medical care. Since 2008, the Kara Foundation has focused on ensuring that funding is available for patients and families when they need it most. The Foundation continues to address the needs of patients and families by providing assistance for basic necessities and Pavilion related expenses.

Do I qualify for financial assistance?

If you are a patient with cancer, age 18 to 35, you may qualify for assistance with Pavilion housing and parking related expenses through the Kara Foundation.
